<p>Chairman's Report</p> <p>Rob explained that this season had been a good one for the club as a whole. The first XI had gained promotion and the 2nd XI had performed well in Div 5. The number of new players has been very pleasing and the fact that they have been involved in many of the teams this year is fantastic. It was also good to see many fun events take place this year and a big thank you to all who helped at the Bridges corporate day.</p> <p>Next season the hope is for the club to go from strength to strength. There have been 2 incidents this year that we would have preferred not to have happened, but the hope and belief is that with the new rules for the bar this will cut out the issues that could arise in the future.</p> <p>To sum up, we hope that the club will continue to grow, and look forward to another good season in 2008.</p> <p>Secretary's Report</p> <p>Andy echoed Rob's report and advised on the state of fixtures for next season. We have 9 matches arranged for next season on a Sunday already. If anyone would like us to play any teams that they can think of let me know.</p> <p>Treasurer's Report</p> <p>GET FROM DEAN</p> <p>Sports & Social Club Report</p> <p>Doug advised that we started the season with £1200 worth of stock behind the bar and finished with £1600. Along with the money we have collected behind the bar this will be taken into account when the profits are shared.</p> <p>Captain's Reports</p> <p>Sunday XI</p> <p>The Sunday XI had a good season this year, playing 20, winning 8, losing 7 and having 5 rained off. The number of under 18 players has been very good to see, with sometimes the average age of the squad being less than 23! Key performers this year have been Ben Gray and Anthony Jones with the ball, and Andy</p>	

Stenning and Tim Gray with the bat.

Saturday 2nd XI

The 2nd XI finished in 5th place this season which is a great tribute to all the players who were involved this season. Overall there was a good atmosphere and all players got along really well. Dan Addison lead the way with 56 wickets for the season, and with the help of the best fielding side in the division always gave themselves a chance for the win!

Saturday 1st XI

One word - PROMOTION!!

The 1st XI finished this season in 2nd place and secured there promotion spot on the last day of the season. The team spirit was the best it has been for many years and all the players should be very proud of the way they have performed this season. Special thanks go to Pam & Doug for the teas.

Dinner & Dance 2007

The dinner dance will take place on 17th November at the Queens hotel in Farnborough. The cost will be £25 per head. Please do make every effort to come along, as this is a good chance to celebrate a fantastic season!

Season 2008

Fund Raising:

Many of the local firms and companies will be approached this season with a view to getting some form of sponsorship from them. There will be 3 bands of sponsorship and it is hoped that this will be a key fundraiser for the club this year.

New Players:

This season we have had a lot of new players come into the club and they have all fitted in well. It was especially good to see so many at the AGM this year. At the AGM a list of 10 new players was produced which bodes well for the future. There will still be a continued effort this winter to advertise the club and pull more players in.

Bridges Sponsorship

Bridges will be approached this year with the possibility of being a shirt sponsor. They have also agreed to do another fun day. More details will be advised when this has been finalised.

3rd Saturday XI

A suggestion was made to have a 3rd XI for Saturdays. It was felt by the meeting that this was not a feasible prospect at the moment; however they instructed the committee to investigate the possibility of having a second team on Sundays in a local league.
